

Elementary

Junior Achievement curriculum is used partnering education and the community to help students better understand business and economics in order to prepare them for the workforce. A Career Coordinator partners community volunteers and classroom teachers providing them with grant funded, grade-level appropriate Junior Achievement materials necessary to teach the curriculum. Training is provided prior to teaching the lessons. An additional lesson for each grade level pertaining to business ethics is also available online.

GRADE	CURRICULUM	INSTRUCTORS	LENGTH	MATERIALS USED
K	Ourselves [®] uses compelling stories read aloud by the volunteer, along with hands-on activities, to demonstrate helping, working, earning, and saving.	Classroom Teacher & Community Volunteer	5 lessons (Optional)	Junior Achievement Kits (teacher and volunteer guidebooks & all required student materials)
1	Our Families [®] emphasizes the roles people play in the local economy and engages students with activities about needs, wants, jobs, tools and skills, and interdependence.	Classroom Teacher & Community Volunteer	5 lessons (Optional)	Junior Achievement Kits (teacher and volunteer guidebooks & all required student materials)
2	Our Community [®] explores the interdependent roles of workers in a community, the work they perform, and how communities work.	Classroom Teacher & Community Volunteer	5 lessons (Optional)	Junior Achievement Kits (teacher and volunteer guidebooks & all required student materials)
3	Our City [®] studies careers, the skills people need to work in specific careers, and how businesses contribute to a city.	Classroom Teacher & Community Volunteer	5 lessons (Optional)	Junior Achievement Kits (teacher and volunteer guidebooks & all required student materials)
4	Our Region [®] introduces the relationship between the natural, human, and capital resources found in different regions and explores regional businesses that produce goods and services for consumers.	Classroom Teacher & Community Volunteer	5 lessons (Required by GFPS)	Junior Achievement Kits (teacher and volunteer guidebooks & all required student materials)
5	Our Nation [®] examines how businesses operate in the United States. Students role-play business ownership, interview for jobs, and learn different methods of production while exploring various economic issues that affect business.	Classroom Teacher & Community Volunteer	5 lessons (Optional)	Junior Achievement Kits (teacher and volunteer guidebooks & all required student materials)

Middle School

The curriculum used is a combination of booklets developed for the Grand Forks Consortium Schools and online career exploration software. RUPrepareND.com is an online program that focuses on promoting self awareness, post-secondary options and career exploration. All work is saved in an online portfolio.
